

# SAFETY RECALL NOTICE

## 5.11 IS RECALLING SELECT TACTEC® PLATE CARRIERS

Style # 56100

### HAZARD:

The cable in the quick-release system of the plate carrier can separate from the handle, preventing swift removal of the carrier in emergency situations and posing a safety hazard.

It's important to note, however, that we're not aware of, nor have we received any reports of injuries resulting from this cabling issue.

Consumers should immediately stop using the recalled plate carriers and contact 5.11 for a free replacement of the cable system and instructions.

Only carriers with the following PO numbers are included in the recall:

US.PO-00022756 / US.PO-00023827 / US.PO-00024126 / US.PO-00024380 / US.PO-00024621 / US.PO-00024125
